Organize

***The 3rd National Symposium
on Peritoneal Dialysis
with international participation***

InterContinental Hotel Bucharest

Florentina Hall

4th -5th May 2007, 8.30 a.m.

Friday, May 4th 2007

- 9 – 9.15** **Opening ceremony**
Remembering Professor Beroniade
- 9.15 – 10** **Benefits of Epoetin alpha administration in predialysis patients**
Iain Macdougall
London, UK
- 10 – 10.30** **Indications of parathyroidectomy in patients with chronic renal failure**
Harald Lange
Marburg, Germany
- 10.30 - 11** **Fluid balance and clinical correlations with body bioimpedance in PD patients**
Diana Zilisteanu
Bucharest, Romania
- 11 – 11.30** **Coffee break**
- 11.30 - 12** **Should automated peritoneal dialysis be considered as first line treatment in end stage renal disease patients ?**
Andreas Vychytil
Vienna, Austria
- 12 – 12.30** **Fluid management in PD patients**
Jacek Lange
Poland
- 12.30 – 13** **Special problems in dialysis therapy in the elderly patient**
Uwe Kuhlmann
Marburg, Germany
- 13.30 -14** **Cardiovascular outcome in PD patients**
Camelia Ionescu
Bucharest, Romania
- 14 -14.30** **Lunch break**
- 14.30 – 15** **Improving anemia management with extended dosing of erithropoiesis stimulating agents**
Michal Nowicki
Poland
- 15 – 15.30** **Optimization of the EPO treatment**
Alexandru Ciocalteu
Bucharest, Romania
- 15.30 – 16** **Value of residual diuresis in the evolution of PD patients**
Mircea Penescu, Simona Stancu
Bucharest, Romania
- 16 – 16.30** **Iron in the treatment of anemia in patients with chronic renal failure**
Mihai Voiculescu
Bucharest, Romania
- 16.30 - 17** **CASE REPORTS**
- 19 – 22** **Social programme**

Saturday, May 5th 2007

- 8.30 – 9** **Which hemoglobin target for preventing cardiovascular and renal function deterioration in CKD patients?**
Francesco Locatelli
Lecco, Italy
- 9 – 9.30** **Anemia as a risk factor for early mortality in diabetic patients enrolled in hemodialysis versus peritoneal dialysis**
Cristian Serafinceanu
Bucharest, Romania
- 9.30 – 10** **Renal anemia treatment – beyond iron and ESA**
Radu Dimulescu
Bucharest, Romania
- 10 – 10.15** **Benefits of Epoetin alpha administration**
Mihai Voiculescu
Bucharest, Romania
- 10.15 – 10.30** **Early treatment with Epoetin alpha and lowering of early mortality risk in diabetic patients enrolled in hemodialysis**
Cristian Serafinceanu
Bucharest, Romania
- 10.30 – 11** **Coffee break**
- 11 – 11.30** **Peculiarities of PD treatment in pediatric patient – experience of the Fundeni Center of Pediatrics**
Gheorghe Chiriac Babei
Bucharest, Romania
- 11.30 – 12** **New insights in the treatment of peritonitis in PD patients**
Theodora Dimulescu
Fundeni Clinical Institute, Bucharest
- 11.30 - 12** **Severe infectious complications on peritoneal dialysis – the surgical approach**
Catalin Buga, Traian Patrascu, Eduard Catrina, Mihaela Vilcu, Octavian Mihalache, Adrian Nedelcu
Surgical Clinic "Ion Juvara" , Cantacuzino Hospital, Bucharest
- 12 – 12.30** **MIA syndrome in PD patients**
Elena Rusu
Bucharest, Romania
- 12.30 – 13** **Peritoneal dialysis in the obese patient**
Gener Ismail
Bucharest, Romania
- 13 -14** **DISCUSSIONS**
- 14 – 15.30** **Lunch break**
- 15.30 – 16.30** **CASE REPORTS**
Ghe. Chiriac Babei
Theodora Dimulescu
Camelia Ionescu
Diana Zilisteanu
- 16.30 - 17** **Final remarks.**

AWARD ceremony

Organizing committee

Mihai Voiculescu (Bucuresti)

Alexandru Ciocalteu (Bucuresti)

Mircea Penescu (Bucuresti)

Cristian Serafinceanu (Bucuresti)

Gheorghe Chiriac Babei (Bucuresti)

Ovidiu Limoncu (Bucuresti)

Marcela Pravat (Slobozia)

Viorica Butnaru (Ploiesti)

Magdalena Ion (Buzau)

Valentina Georgescu (Pitesti)

Lidia Florescu (Tg. Jiu)

Minerva Muraru (Bucuresti)

Delia Nicula (Bucuresti)

Syposium secretary

Diana Zilisteanu
