

**Dear colleagues,**

*It is a great pleasure for us to invite you to participate in the XIX-th National Congress of Hepatology organized by the Romanian Association for the Study of the Liver and Acad. Marin Voiculescu Foundation.*

*This year we will be debating the most important topics in the field of hepatology. We will again do our best to organize the congress in optimal conditions. Furthermore, we hope that the high scientific level will improve management of patients with different liver diseases.*

*We look forward to seeing you in Bucharest.*

**Mihai Voiculescu**  
*ARSF President*

### TOPICS

- New ultrasonographic techniques in the diagnosis of liver disease
- CT and MRI techniques in the diagnosis and therapy of liver disease
